<b>Discussion Items</b>	
	CC declared that she leases part of the Boggabri Coal owned Eastview Property.
	JT declared that he received a fee for chairing the meeting.
	RG declared that his property is located in the zone of affectation.
	Apologies: John Bastardo
	Acceptance of previous minutes: Moved AT seconded RG minutes accepted
	MM commented that rail line signalling is forecast to be completed mid-March. HR noted that following full commissioning of the rail line a noise assessment would be undertaken.
	CC expressed concerns about the employment continuity of people of the local community following the commissioning of new infrastructure.
	HR commented on the proposed hydrocensus. AT queried whether a hydrological study has been conducted.
	CC and RG queried whether proposed new ground water bores would require new licences or allocation. HR undertook to respond to the query in the short term.
	JT questioned whether the mine or Leard State Forest is subject to the Inclosed Lands Act. HR undertook to respond in the short term.
